SHORTSTAY CARE

SPEEDING YOUR PATH FROM HOSPITAL TO HOME

Our ShortStay Services act as a caring bridge to your return home. We're focused on your speedy recovery and making you comfortable so that your recuperation will be as smooth as possible. We're here for your family as well, making all of you a part of the recovery process and bringing you into the decision-making about your care. We're eager to see you return home and get back to the daily activities and routines you enjoy. Quality Clinical Programs for Accelerated Outcomes. The staff members caring for our ShortStay patients work closely to understand post-hospitalization needs and will collaborate with personal physicians to provide a seamless continuum of care that will support your successful recovery.

LONGTERM CARE

Specialized Services for Improved Quality of Life. Our clinical care teams set goals and take a proactive approach in the care of our long-term residents. We collaborate with personal physicians and other care professionals to expand upon each resident's current treatment programs. Our interdisciplinary care teams include our nursing and rehabilitation staff, and focus on the overall health of our residents. In particular, our occupational, physical and speech therapists focus on improving or maintaining each resident's functional level. Whether it's the ability to take leisurely walks, or to enjoy painting, sculpting or other craft activities, we're focused on enabling our residents to continue to participate in the activities that have enriched their lives.

At Genesis HealthCare, we offer each of our patients and residents outstanding clinical care, delivered by highly skilled practitioners in a warm and comfortable setting. We're focused on clinical quality and customer satisfaction

ASSISTED LIVING

A RICH, FULFILLING LIFE BEGINS WITH FRIENDS

We bring together the best of both worlds in our Assisted Living Communities. Active seniors can enjoy an exciting, dynamic lifestyle with fun daily activities. These lively communities support each resident's independence, while offering the security of 24-hour staff, as well as personalized care services if they're ever needed.

Each Assisted Living Community has access to physician care should you ever need it. Transportation is also available to take you to appointments with your own physician and dentist, and to other activities.

Our Assisted Living Communities are staffed 24 hours a day to provide you with a safe and secure environment. But we're also focused on making you feel at home. Multiple floor plans enable you to choose an apartment that fits your lifestyle. Apartments are available fully furnished or you can choose to bring your own furniture. Amenities such as beauty parlor/barbershops are available and housekeeping is provided.
