Services:

Visiting Angels is a non-medical, private pay living assistance service that provides care to adults and seniors who want to remain living independently at home. We are also available to supplement care in Assisted Living communities.

-Certified Home Health Aides provide assistance with personal care, light housekeeping, assistance with ambulation & exercise, meal planning & preparation, errands & shopping, transportation, medication reminders, companionship, and respite care. We have flexible hourly care, and also offer live-in services. Our Certified Home Health Aides are compassionate, licensed, insured, bonded, background checked, and supervised for your peace of mind!

-Full-time Director of Nursing on staff performs an initial assessment on each client, creates an individualized care plan, reassesses each client twice per year, and supervises our Certified Home Health Aides.

-Veterans Care Coordination Partnership- Visiting Angels has a partnership with Veterans Care Coordination to assist Veterans and their surviving spouses obtain living assistance services with Visiting Angels using funding through the Veterans Administration benefit for Aid & Attendance Pension. This benefit assists those that qualify with more than \$24,000 annually to be used for our services.

-We are on-call 24/7 to assist you. For more information, or to set up a free, no obligation consultation, please call us at 609-545-8258. We care every day, in every way!
